URGING THE TRANSIT TASK FORCE TO RECONSIDER ITS POSITION CALLING FOR THE EARLY REMOVAL OF ALL OVERHEAD TROLLEY WIRES ON MARKET STREET.

WHEREAS, The Market Street Reconstruction and Improvement bond issue of 1968 provides for the modernization of Market Street, including broad sidewalks, distinctive paving, large trees, spacious plazas, and the removal of all overhead trolley wires and street car tracks; and

WHEREAS, Although the concerned departments have diligently prosecuted completion of the subway for the Municipal Railway, unforeseen complications have prevented work to proceed with BART construction and it is now estimated that the completion date will be 1975; and

WHEREAS, The Transit Task Force has issued plans which call for the removal of trolley coach lines from Market Street within 18 months; and

WHEREAS, The trolley coaches in addition to providing fast and efficient service have been a noiseless, pollution-free asset to San Francisco's transportation system and beneficial to both merchants and shoppers alike; and

WHEREAS, The cost of maintaining trolley coach service on Market Street until 1975 will be offset by the added service and convenience that the Municipal Railway will be able to provide to patrons in the Market Street commercial corridor; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby urge the Transit Task Force to reconsider its position calling for the early removal of all overhead trolley wires on Market Street so that trolley coach service on all existing lines serving Market Street may be maintained until 1975 or until the commencement of the Market Street subway service; and be it

STATING THE POLICY OF THE BOARD OF SUPERVISORS THAT STEPS BE TAKEN TO MODERNIZE AND IMPROVE THE ELECTION PROCESS IN THE CITY AND COUNTY OF SAN FRANCISCO.

WHEREAS, The June 1972 primary election in the City and County of San Francisco produced numerous problems and delays that led to lengthy lines, a three hour extension of voting, and a statewide delay in the vote counting; and

WHEREAS, In 1969 the Board of Supervisors of the City and County of San Francisco adopted a report of its Governmental Services Committee that said "Election day in San Francisco has come to mean disorganization, confusion and embarrassment"; and

WHEREAS, The election process is an essential element of the democratic process; and

WHEREAS, The proper functioning of this process requires maximum citizen participation; and

WHEREAS, A skilled and experienced staff on all levels from precinct to the Office of the Registrar of Voters is essential to the smooth functioning of the election process; and

WHEREAS, Providing for an orderly and efficient election process with maximum public participation is a matter of general concern and importance to the citizenry of the City and County of San Francisco; now, therefore, be it

APPROVING EXEMPTION OF CERTAIN POLICE DEPARTMENT RANKS FROM THE CIVIL SERVICE PROVISIONS OF THE CHARTER.

WHEREAS, At the election held on November 2, 1971 the voters of San Francisco approved an amendment of Charter Section 3.530, pertaining to reorganization of the Police Department, which provided in part that the Police Commission shall have power to create new or additional ranks or positions in the department which shall be subject to the Civil Service provisions of the Charter, provided that the Police Commission subject to recommendation of the Civil Service Commission and the approval of the Board of Supervisors may declare such new or additional ranks or positions to be exempt from the Civil Service provisions of the Charter; and

WHEREAS, The Police Commission by its Resolution No. 167-72 has designated certain positions as exempt from the Civil Service provisions of the Charter pursuant to said Charter Section 3.530 with the intent that said positions have the same title as such positions that existed in the Police Department prior to July 1, 1972, are the same positions, and are not to be considered for the purpose of retirement, salary rights or salary increments as new positions, while at the same time recognizing the advice of the City Attorney that the reestablished and newly created ranks must be treated as new ranks within the department, such positions being as follows:

now, therefore, be it

RESOLVED, That said Police Commission Resolution No. 167-72 as referred to hereinabove and, among other things, exempting aforementioned positions from the Civil Service provisions of the Charter, be and it is hereby approved, and be it

FURTHER RESOLVED, That concurrent with its foregoing approval, the Board of Supervisors does hereby specify that such positions shall not extend beyond the current 1972-1973 fiscal year since the Police Department reorganization comtemplates speedy implementation and the spirit of such reorganization can best be effected by the creation of a maximum number of promotive positions within the Civil Service structure of the Police Department, in lieu of appointive positions, for the obvious reasons that career incentive and maintenance of high morale within Police Department ranks depend largely upon the maintenance of a Civil Service promotive system predicated on merit.

WHEREAS, Funds in the amount of $151,000 have been appropriated for design and construction of the breakwater; and

WHEREAS, The District Engineer of the United States Army Corps of Engineers proposes to recommend to the Department of the Army that a project be authorized at Gas House Cove for the purpose of reducing waves and surge action subject to assurances of non-Federal (City) cooperation; now, therefore, be it

DECLARING OPPOSITION TO THE INITIATIVE CONSTITUTIONAL AMENDMENT ON THE CALIFORNIA BALLOT FOR THE NOVEMBER 1972 ELECTION, COMMONLY KNOWN AS THE WATSON INITIATIVE, DEALING WITH METHODS OF TAXATION, AND URGING REJECTION THEREOF AT THE POLLS.

WHEREAS, The Board of Supervisors of the City and County of San Francisco clearly and consistently recognizes the urgent need for reformation of school financing in the State of California and particularly in San Francisco; and

WHEREAS, The Board of Supervisors of the City and County of San Francisco further recognizes,and unequivocally supports remedial action to meet, the need to lower real property taxes for the taxpayers of San Francisco and other California communities, and to that end has devoted every effort toward reducing expenses of government while utilizing all means of deriving revenue from sources other than the local real property tax; and

WHEREAS, There has qualified for the California ballot at the November 1972 election a proposed initiative constitutional amendment, commonly known as the Watson Initiative, which, although purporting to afford relief to the property taxpayer, bears serious implications that an increased burden would be thrust upon property owners through ad valorem financing of bonded indebtedness which would be the only remaining alternative source of funding for governmental services should the Watson Initiative be approved by the voters; and

WHEREAS, The unconscionable,burdensome consequences of the Watson Initiative as its provisions are applied to ad valorem property taxpayers demand rejection of the initiative measure so that effective and equitable methods of financing governmental operations may be thoroughly explored and duly adopted; now, therefore, be it

BOARD OF SUPERVISORS

Supv. von B - 9 Ayes

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby oppose vigorously the principles upon which the Watson Initiative is based, and does hereby find that the property tax burden would not be relieved for San Francisco taxpayers thereby but would merely be diverted into other channels to be financed by the same taxpayers who presently support the property tax base; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby reiterate its intention to seek reform of school financing for the State of California and the City and County of San Francisco in particular, and does hereby find that the Watson Initiative would not accomplish the needed reform in such school financing but would instead reduce by 50% the educational resources presently available to the citizens of San Francisco and render totally ineffective the system of public education afforded its children; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the Mayor for transmittal to the State Legislative Representative and presentation by the latter to the members of the San Francisco delegation in the State Legislature and to all other officials and agencies who are involved in this important matter, with the urgent plea that every effort be exerted to assure the rejection of the Watson Initiative.
